

Edward Shellard, D.M.D.
Chief Commercial Officer
Carestream Dental

With more than two decades of clinical and executive experience in the dental industry, Edward Shellard, D.M.D., leads worldwide business development strategy, key partnerships and acquisitions as chief commercial officer for Carestream Dental. Since joining Carestream Dental in February 2008, Dr. Shellard has driven global marketing strategy and product development efforts for the latest innovations in dental and practice management technology.

Prior to joining Carestream Dental, Dr. Shellard was appointed president and CEO of Dental Technologies Inc., a dental laboratory consortium based in Dublin, California. For 14 years Dr. Shellard held various positions at the Kerr Corporation, one of the oldest and most well-respected dental products companies in the world, most recently serving as the company's president. While at Kerr, Dr. Shellard gained experience in clinical affairs, business development, R&D, marketing, and was instrumental in the acquisition and integration of numerous companies.

Additionally from 1996 to 2002, Dr. Shellard served as an adjunct associate professor at the Loma Linda University School of Dentistry.

Dr. Shellard began his career as a dentist and ran a successful practice from 1987 to 1994 in Rochester, New York, before entering corporate management. During this time, Dr. Shellard also consulted for the Dental Products Group of Eastman Kodak.

Dr. Shellard holds a B.A. from Ohio Wesleyan University, a D.M.D. from Case Western Reserve University and an M.B.A. from Pepperdine University. He is a member of several professional organizations including the American Dental Association, International Association for Dental Research (IADR), American Association for Dental Research (AADR), Academy of Dental Materials and Academy of General Dentistry, and he served as the president of the Dental Materials Group of the AADR.
