

Mary Conditt

*Director, Industry Relations, US&C
Carestream Dental*

Mary Conditt serves as the director of industry relations for Carestream Dental's United States and Canada digital business. She is responsible for all of Carestream Dental's key opinion leader relationships in addition to maximizing corporate sponsorships, partnerships and other industry relationships.

Conditt joined Carestream Dental in early 2014, bringing 20 years of experience in the dental industry to the company. With a proven track record in sales and management, she led the development of a platform for clinical education with Dentsply that focused on industry awareness with key opinion leaders.

Prior to joining Carestream Dental, Conditt served as the director of clinical affairs at DenMat. She served as the vice president of clinical affairs at Dental Technologies Inc., where she initiated and developed the clinical affairs department. She also spent two years at Kerr, restructuring the clinical affairs department to better support customers globally through educational events.

Conditt is based in Fort Worth, Texas, and holds a bachelor's degree in education from New Mexico State University.
